

LED WORK LIGHT

EA9890T

4" LED Work Light

Features

- 4 premium CREE LEDs with reflector deliver variety brightness
- Sealed to IP68 & IP69K
- EMC (CISPR 25 Class 5) approved
- Suitable for medium to heavy duty application, e.g. Truck & Trailer, Agriculture and Construction machinery

Part No.	EA9890T-40
Power	40W (10W x 4 CREE LEDs)
Color	6,000 K
Beam	Wide flood beam
Voltage	DC 10-30V / DC 10-60V
Brightness	4,000 Lm (raw) ; 3,000 Lm (effective)
Protection	Reverse polarity and transient spike protection IP68 & IP69K
Housing	Diecast Aluminum
Shock	60G
Vibration	20Grms 24-2000HZ
Lens	Polycarbonate
Mount	Universal mount with stainless steel hardware
Connector	In-built DT Connector 2-Pin
