

MADE IN PRC**Product Description:**

- Wireless dual lights output to make work easy.
- Ultra slim light bar for narrow place.
- Built-in hook and magnet for hands free.
- IK08 impact resistance for outdoor and rugged use.
- Battery life indicator to show remaining capacity of light.
- 180° foldable design for multi-angle light output satisfied with different environment.
- With dimming function for main light, press the button on hold to support dimming function.
- Switch sequence : spot light – main light – off @first button; double sides light on – off @second button.

Specifications:

Charger Specification:	AC100-240V 50/60HZ
Charging Voltage/Current:	5V 1A
Battery Specification:	3.7V 4400mAh Li-ion
Time of Charging(via Type-C):	Approximately 4 hours
Time of Charging(via wireless pad):	Approximately 6.5 hours
Time of Discharging:	Approximately 3 hours @first level Approximately 6 hours @second level
Brightness:	Approximately 1000lumen @first level Approximately 500lumen @second level
CRI:	≥70Ra
Color Temperature:	5500~6500K
Working Temperature:	-10~40 °C
Storage Temperatur:	-20~50 °C

Battery treatment/charging:

- Charge the battery for at least 8 hours before first use
- Green indicator on lamp flashing: charging
- All green indicators light up on lamp means charging completed
- Do not leave battery in full discharged condition.
